Dear Sir/Madam,

The Chevening Scholarships are the UK government's global scholarship programme, funded by the Foreign and Commonwealth Office (FCO) and partner organisations. The awards are aimed at talented professionals who are looking to pursue one-year Master's degrees in any subject at the United Kingdom, home to some of the world's best universities. After their postgraduate studies, Chevening scholars return home in order to contribute towards the development of their countries in both public and private sectors.

Chevening offers a unique opportunity for future leaders, influencers, and decision-makers from all over the world to develop professionally and academically, network extensively, experience UK culture, and build lasting positive relationships with the UK. Currently Chevening Scholarships are open for recruitment until 8 November 2016.
